**IMPORTANT INFORMATION:** The square with a last row in colour white has the measurement 20 x 20 cm. When you make the square for the cushion "Swedish Christmas" you need to add a row in colour 502 (or other colour for the colour pack you will use) on all squares. It should then be 20,5 x 20,5 cm. If your square end up smaller, you can probably block it to the correct size, but if you get a larger square, you need to use a smaller size crochet hook.
